PERSONAL.

The members of this firm, whose portraits are printed in this advertisement, are natives of the grand old commonwealth of Kentucky and they are always proud to contribute to its development and advancement. Born and reared in the Blue Grass they are always among its strongest admirers and advocates of its opportunities. Their business was started within its bounds and here more of it is done than in any other state in the union. They have boundless faith in Paducah and its future and do not hesitate to invest their capital—some day they may have a big furniture factory in this city. They simply invite your consideration of the advantages they offer, feeling assured that the result, once the people have investigated, will be fully satisfactory to them, which proves that they also have faith in the methods with which they do business, viz: Honest goods, Fair Prices, Courteous Treatment.

To get the proper size, style or finish in library cases is usually hard to find. We can please you in either. Don't fail to investigate the line.

A handsome china closet is an important piece for the dining room. We are showing a magnificent line in all sizes, styles and finishes.

We invite your attention to the largest carpet department in the city, where you will find the most complete assortment of carpets, rugs and floor covering ever shown in the city.

We are showing an elegant line of extension tables, from a very low priced up to the high grades. We are sole agents for the celebrated "Victor" tables.

In office furniture we lead as in everything else with the largest and best stock of roll top desks, typewriter and flat top desks, in fact everything to complete your office.

We desire to call your attention to our immense stock of stoves and ranges. We have the exclusive sale of the great White Enamel Line—they are the best.
